

Nurse Job Description

Under the supervision of the Director, the Nurse is responsible to be the primary health care provider for the camp, supervise health and cleanliness standards, work with the Director and staff, and help provide a comprehensive health care program that meets the needs of the campers as well as the staff.

The Nurse is expected to present themselves with integrity, act as a personal example in and outside of camp, and is committed to upholding the mission/vision of Camp Young Judaea Midwest.

Responsibilities | The Nurse is responsible for...

- Ensuring that each staff member and camper has on file a health history, physician's exam and immunizations on file and review to address specific needs and restrictions,
- Planning and implementing a system for health screening for arriving campers and staff
- Maintaining an inventory of supplies and place orders, when necessary, ensuring timely arrival of supplies
- Following appropriate medical protocols including record keeping in the online medical log, disposal of medical waste, managing and safeguarding medications and utilizing approved standing orders
- Coordinating 24 hour coverage of the health center
- Distributing camper and staff medication at specific times (breakfast, lunch, dinner, nighttime)
- Implementing sick-call hours for 30 minutes after each meal
- Making needed appointments with medical and dental personnel in the community
- Checking and issuing first aid kits for trips out of camp and for cabins
- Participating and leading specific areas of staff training pertaining to camp health and safety, CPR, first aid and use of universal precautions for infection control
- Preparing accident/incident reports as needed
- Monitoring the health of all campers and staff including maintenance and kitchen
- Meeting with the Director daily to update on all health matters and concerns
- Preparing a summary and evaluation of the camp season including inventories, camper reports on health problems and make recommendations for the following season
- Other duties as assigned

Qualifications | The ideal candidate is/has...

- Nurse certification and licensure
- Desire and ability to work with children and adults in a camp setting
- Ability to give & take constructive criticism
- A self-starter and able to work with minimal supervision
- Leadership skills, including the ability to motivate, manage, and counsel staff to maximize their skills
- A team player, and recognizes the importance of group success
- Comfortable managing and working alongside others who have different work styles
- Comfortable working with children who have different learning styles
