BUS FROM GLENCOE

For the way to camp, we are only using one bus site – North Shore Congregation Israel (1185 Sheridan Rd, Glencoe, IL 60022)

Please arrive prior to 9:00 am and make sure your child eats a full breakfast before arriving. Snacks will be provided, as well as a late lunch on arrival.

Check in: We will start checking in and boarding the bus at 9:00am with a departure from Glencoe set at 10:00am. Each family will check in with a volunteer and any medication that could not be sent through Hometown Pharmacy in Waupaca will be collected. (rescue inhalers and EpiPens should stay with the camper in case of an emergency).

FLYING CAMPERS

Midway Airport: Our flying campers will be arriving around 10:30 am. A CYJ staff member will meet them at the airport and will guide them to the bus. Bus departure is scheduled around 1:00 pm. We will be providing sack lunches and snacks for our fliers as they will be traveling long distances. Please send them with additional kosher, nut free snacks and around \$40 for the long day (travel to camp and back home)
